## **New One-of-Kind Facial Kit Fuses Gemstones and Aromatherapy**

*Healing Gems™ are a girl's new best friend*

(Weston, CT) For all the inherited significance bestowed upon gemstones through the ages...for all their crystalline beauty and for all the statements on style and status they've made in the past, surprisingly, it's not the specter of their sparkle, but the natural restorative energies and therapeutic properties of precious gems that have put them at the forefront of a new wellness trend. Though long-used in holistic healing practices, now gemstones are popping up in exclusive spa treatments, as lifestyle accessories among celebrities and others, and are increasingly associated with a wellness *experience*, not simply a display of beauty. The **Healing Gems™ Microdermabrasion System**, an exceptional new home facial kit from **Artemis Woman, LLC** delivers this wellness experience, and more.

A fusion of holistic ideology, ancient tradition, and natural energy in a professional-grade home skincare system allows the **Healing Gems™ Microdermabrasion** kit with **Gemstone Facial Scrubs** to restore power and inner beauty to the feminine spirit while dramatically improving the skin's tone, texture and outward radiance. Transforming routine skincare into a multi-sensory, self-healing journey toward balanced wellbeing, the **Healing Gems™** facial system is the *only* at-home dermabrasion kit to combine the energetic properties of precious gemstones with the therapeutic powers of aromatherapy.

The **Healing Gems™ Microdermabrasion System** includes a sleek handheld, battery-operated surface exfoliation & deep pore-cleansing device for simple, seamless transitions between the exfoliation and extraction settings, two speeds, and five interchangeable attachments - the Sponge Exfoliator, Brush Exfoliator, Small Pore Cleanser, Large Pore Cleanser, and Facial Massage Finisher. The Healing Gems™ kit also includes the entire line of chakra-balancing **Artemis Woman™ Gemstone Facial Scrubs** in **Amethyst Spirit**, **Clear Quartz Energy**, **Tourmaline Balance**, **Rose Quartz Sensual** and **Topaz Power** varieties. Five 1-oz. jars each contain finely-ground gemstones, mica minerals, natural sugar crystals and a special formulation of aromatherapy blends to gently buff away surface impurities, stimulate the senses and infuse underlying skin with a radiant glow.

### **Clear Quartz - The Energy Scrub**

With an uplifting blend of rosemary, orange and grapefruit essences and a moisturizing mix of sesame, olive and hemp seed oils the Artemis Clear Quartz Facial Scrub compliments the gemstone's energetic properties, which promote enlightenment, encourage positive thoughts, and invigorate the mind.

### **Tourmaline - The Balance Scrub**

Tourmaline has long been associated with self-expression, enrichment, knowledge and communication. Traditionally used to energize the spirit and balance negativity, the Tourmaline Facial Scrub enhances the gem's power to bring about equilibrium with an awakening blend of sandalwood, geranium, and rose essences to create an emotionally centering sensory experience.

### **Rose Quartz - The Sensual Scrub**

Sensuality and strength live at the heart of the feminine spirit, and the sultry blush of Rose Quartz has long been thought to help open the heart center, clearing the path to spiritual development by helping reduce emotional blockage and encourage compassion. An essential oil blend of Ylang-Ylang, Rose, and Sandlewood in the Rose Quartz Sensual Scrub enhances the gemstone's energy, creating a warming aura of sensual calm.

### **Topaz - The Power Scrub**

Often associated with achievement and personal power, many believe Topaz helps create the energy required to awaken the spirit through transformation, humor, and laughter. The stimulating blend of bergamot, tea tree, and lemon aromatherapy essences further lifts confidence with purifying, refreshing scents.

The **Healing Gems™ Microdermabrasion System** is available for purchase at all 130 Ulta locations, high-end department stores, natural product outlets and up-scale spas nationwide; it is also available online and retails around \$79.99.
