## Better beauty on the go

Posted by Jessica Rivelli ■ 13 days ago

**Double Curl Gentle Heat Lash Curler.** Nothing says glamour like big, bold lashes. Create an eye-opening look by curling lashes with this battery-powered heated curler. The unit is plastic so it won't damage lashes and heats up in seconds. Apply a coat of black mascara afterwards for extra drama and to keep the curl lasting all night. Order online at [www.Artemiswoman.com](http://www.Artemiswoman.com) for \$24.99 each.
