Get Your Feet Sandal-Ready

6 of 12

It's DuraCrystal Clear

Cute boots can hide ugly, callused heels, but when summer hits, you'll eventually encounter a bare-all situation. The doctor-approved Artemis Woman Heel Smoother adequately, quickly (as in seconds!), and safely smoothes skin and removes calluses using DuraCrystal tips—no scary chemicals or blades.

\$16-\$49.95 at Wal-Mart, Target, and ArtemisWoman.com

Would you buy this Artemis Woman Heel Smoother?

- It's already on my shopping list.
- Hmm...
- No thanks.
