

# A REAL TREAT FOR THE FEET

**B**E kind to your feet this summer. The Artemis Woman Heel Smoother is just the gadget to cut those cuticles and polish those pinkies.

The Heel Smoother has been a huge success in the US. It's a revolutionary pedicure appliance which removes dry skin and smooths calluses, without the use of sharp blades or harsh chemicals.

The Heel Smoother is perfect for worn out feet that have been squeezed into killer heels and hidden in boots all winter, and gives your toots a professional, salon-grade, pedicure make-over with the help of a high performance dual speed motor.

The DuraCrystal Power Tip is made with the same special aluminium oxide crystals used in professional micro-dermabrasion treatments.

The Artemis Woman Heel Smoother retails at E29.95 and is available from leading pharmacies nationwide or by calling Lifes2good on 1890-252207 or logging onto [www.lifes2good.ie](http://www.lifes2good.ie).
